Amendment: To change the date in the SUPRA Council minutes 20th July 2010 to reflect the correct date.

Council requested the rephrasing of a number of statements which improperly reflected the tone and expression.

[Motion 03/100823] That SUPRA Council accept the tendered minutes for SUPRA Council, and Management Committee with amendments.

Proposed: Angelus Morningstar  
Results: Carried

The detailed and attributed minutes consequently triggered a discussion. During this conversation objections were raised over how much of the discussion should be captured and reflected in the minutes.

It was commented that the minutes had been completed and circulated well in advance to ensure sufficient time to respond to issues raised.

It was affirmed that Council motions enabled the Secretary discretion in the means of minute taking, and consequently iterated his previously stated position that while discussions would be redacted for the formal minutes, transcripts would be kept on file for Council record.

4. Reports from the Executive

4.1. President
4.2. Co-Vice-Presidents
4.3. Co-Treasurers

Due to a miscommunication error, the report for the Co-Treasurers was submitted late. The report was tabled to be reviewed in the subsequent Council meeting.

4.4. Secretary

Copies of these reports will have been circulated.
Several points were raised regarding the reports, concern that a bullet-point format did not provide enough detail, though counterpoints entailed that such bullet-point enabled quick and simple reading of the report for Council meeting.

The President responded that he would provide a more detailed report in future.

5. Reports from Office Bearers

5.1. Women’s Officer
5.2. Queer Officer
5.3. International Student Officer
5.4. Disabilities Officer

Copies of these reports were circulated.

On the matter of the Child Care survey outlined in the Women’s Report, it was considered that even though a report had been conducted in 2006, it would be useful to re-conduct one for more up to date information.

[Motion 04/100823]
That SUPRA Council accept the reports of the Executive and Office Bearers.

Proposed: Angelus Morningstar  Result: Carried

6. Motions Raised in Reports

[Motion 05/100823]
That Council abolish the ‘Activities Committee’ and establish a new committee called ‘Community Engagement Committee’. The aim of this committee shall be to organise and facilitate SUPRA’s activities and involvement with the community in and around the university.

Proposed: Heidi Claus  Result: Carried (+7,1a)

9. Request for Affiliation

The Council of International Students Australia have submitted a request for SUPRA to affiliate, with an affiliation fee of $200.

[Motion 07/100823]
That SUPRA Council support and endorse the affiliation request.

Proposed: John Nowakowski  Result: Carried (6+,3a)
Chihong spoke to the issue, noting that CISA has 56 founding members, containing 30 student representative councils, and constitutes a new national peak body of student representation.

It was formed in response to what MLC has been doing, as government and universities are reluctant to speak to international students. CISA would advocate nationally on behalf of international students. He noted their lack of funds, and therefore the affiliation fee, but was happy for the fee to come out of ISO budget.

The Chair noted that it serves to replace NLC, and that the Human Rights Commission has already recognised it in favour of NLC.

10. Other Business

10.1. Policy Committee Meeting

Rashmi Kumar noted a call for a Policy Committee Meeting, which would be called by email circulation.

10.2. Vice-President Hours

Chihong Choi noted that the Co-Treasurers have reviewed the Budget, because constitutional changes will remove the Activities Convenor. Chihong noted that even with this reduction, if the Vice-President hours increase to 21 per week each, this will increase the deficit by $13,000.

The Chair responded that this is the sort of discussion that needs earlier notice. That Council hasn’t actually accepted the drafted duty statements, whether we’re including the new proposed positions, and other discussions on the stipends policy. These discussions would be best left to next Council Meeting.

11. Advice of Next Council

Next Council was called for Monday, 6th of September, 2010 at the SUPRA Offices, with a 5:30pm arrival for a 6:00pm start.

Meeting Closed: 6:59pm
