   • The President acknowledged the amount of work Jack Clegg has done as Postgraduate Fellow of Senate for the past two years. The President has met the incoming Postgraduate Fellow of Senate, Norman Chan, who is also keen to be involved with SUPRA and may attend the EGM on 16 November.

b) Vice President
   • Staff members of the University are increasingly becoming aware of SUPRA and what it does.
• Recommendation: THAT the Vice President's maximum stipended hours be maintained at 21 per week for the next month, for both myself and whomever is appointed as Acting Vice President. That the Acting President be able to claim 35 hours a week for the first fortnight of December

Motion: THAT the Vice President's report with recommendation on Vice President's stipend (not acting President) be accepted. Moved: Rosemary Whitecross. Carried.

• Recommendation: That the Secretary’s maximum stipended hours be maintained at 14 per week for the next month.
• Motion: THAT the President and Secretary write to the Councillors who have not fulfilled the Council and Committee attendance requirements, quoting Sections 6.16 and 7.9 of the constitution, advising that the matter will be discussed at the next meeting of Council and their positions might be declared vacant. Motion: THAT the Secretary’s report and recommendation be accepted. Moved: Anthony Kachenko. Carried.

d) Treasurer
• Draft Budget for 2007 (tabled). We are still in discussion with the University re in kind support, particularly printing.
There has been no commitment yet from the university for 2008 onwards. $80-100000 surplus left over from 2006. This would cover additional staff entitlement money.
The letter from the Registrar to the Chief Financial Officer indicates that in-kind support and payments will be released at intervals during the year. The SRC President and SUPRA President have e-mailed the Administration to follow it up.
Possible savings might be:
• Audit. The Finance Manager is drafting letter to major accounting firms to see if they are interested in doing a pro bono or reduced cost audit.
• CAPA affiliation fee – may cost us either a much less fee or nothing.
• Staff travel, etc.
• Functions and campaigns.
The Treasurer proposed that it be accepted as a draft budget based on the current in-kind situation and with 2 Student Advice and Advocacy Officers and that it be sent to AFC for further consideration.
• Recommendation: THAT the Council maintains the Treasurer’s stipend at a maximum of seven hours per week.

Motion: THAT the Treasurer’s report and recommendations (including the draft budget above) be accepted. Moved: Roozbeh Araghi. Carried.

11. Council and Committee Meeting Times
Deferred to the December Council Meeting.

- The Conference Report will be sent to Councillors – please send any e-mail feedback to the President.
- There were difficulties with catering. If alcohol is being served outside our building we need a licence.
- The total cost was about $12,000. About 110 people attended. Over 30 people presented and there were 12 facilitating sessions. It was felt that this was a
reasonable number for an initial conference. The cost per person for larger numbers would be less.

• We will try to build on success and establish a committee at the beginning of 2007 for next year’s conference, and try to make it as professional as possible. It was noted that there would be Council elections before the conference happened. It was hoped that if 5 months work had been done on it, a new Council would continue with it.

• Attendance could have been higher but was enthusiastic and feedback was very good.

• The fact that it was free was well received.

• The conference overcame some of the ‘distance’ problems for students.

• Political forums were well received.

• It can be promoted at O-week.

• It raised SUPRA’s profile.

• There were lots of ‘lightbulb’ moments – realising that there was common interests, etc. Puts us in a great position to promote SUPRA to the university, building the profile of the student experience and the university.

• People were able to meet people from own faculty and share experiences and difficulties. Part-time students were able to interact with others.

• The Publications Officer set up a reading group with people met at conference.

• If starting preparations for the next conference at the start of year, how do we decide between applications for speakers – would we need a review process?

• We should try to get some of the small departmental conferences included in the SUPRA conference.

• We should consider international students more. Include more for them and advertise widely.

• No reason we couldn’t have it earlier in the year.

• Thanks were expressed to Amrita Dasvarma and Anne Coates for preparing the report and in getting the conference happening.

13. Appointment of delegates to the Annual Council Meeting of the Council of Australian Postgraduate Associations

Motion: THAT SUPRA sends Katherine Barnsley as a delegate to the CAPA Conference. That Council approve up to $650 for flights, registration and other transport costs. That Council endorse Katherine Barnsley and Roozbeh Araghi to act as the SUPRA delegate. Moved Roozbeh Araghi. Carried.

14. Other Business

a) Donation of money from Travel Concession case. There were 3 students left in the anti-discrimination case. One who won offered to donate his $899 compensation to SUPRA.

b) Motion: THAT Fleur Beaupert be granted leave of absence from 24th November to 29th January. Moved: Rosemary Whitecross. Carried.
